Create a Customized Directory (not shown)

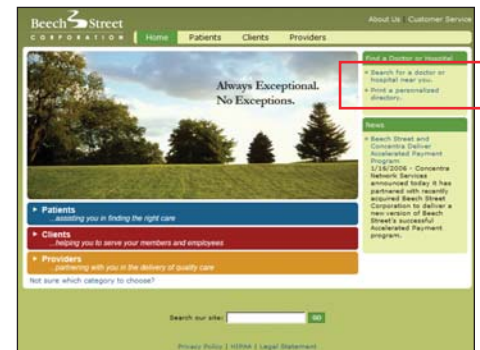

Click on 'Print a personalized directory'

Follow the 4 step process:

1. Choose your plan type by selecting from the available options:
 - a) Health Benefits
 - b) Workers Compensation
2. Enter the address where you want to start the search (your home, office, etc.).
Indicate how many miles from that location you want to search by using the drop-down menu.
3. Select the provider specialties and the facility types of interest to you.
Note: Hold the control key down to select multiple specialties and/or facility types.
4. Create a title for your directory.

Click on 'CREATE DIRECTORY' to get your directory or 'CLEAR' to start over.

The directory contains all providers who are participating in the Beech Street PPO network, according to Beech Street's records. Every effort is made to ensure the accuracy of the information; however, changes occur daily and may not yet be included in the directory. Therefore, it is possible that the provider you select is not currently participating in the PPO network. Please confirm the provider's participation by calling the provider directly. The provider you select may not be available to all Beech Street clients due to individual benefit plan or network restrictions. Additionally, the provider may not offer the Beech Street contracted rate for all services. Please confirm your benefits by calling your Health Plan Benefit Administrator or Insurance Company. It is Beech Street's policy to verify the contact and professional information for each provider participating in the Beech Street PPO network every three years.
